## Skid Steer Snow Pushers

### Fox Snow Pushers

combine the simple efficiency of a box-type snow pusher with the quality and durability that Fox is known for. A durable rubber cutting edge provides superior cleaning on paved surfaces while heavy-duty steel skids carry the pusher over uneven surfaces. 3/8 inch thick steel sides are 36 inches deep for plenty of snow moving capacity. Utilizes the skid-steer universal attachment system.

An Optional Pull-back attachment bolts on easily, adding a second rubber cutting edge and rubber side seals for efficient backdrag performance.

### Specifications

Model	Overall Width	Overall Height	Depth	Weight-Pusher Only	Weight-W/Pullback
3684	84"	36"	36"	796 lb.	971 lb.
